ELECTION OF SPECIES

The applicant elects **Species I**, without traverse, for further examination on the merits at this time.

The applicant further elects, with traverse, **Species A, Species 1, Species A, Species a, Species I,** and **Species AA.**

LISTING OF CLAIMS READABLE ON ELECTED SPECIES

Each of claims 80-109 now reads on the elected species. In addition, <u>each</u> of the claims is generic to an elected species and at least one non-elected species.
